The United States Information Agency has recommended that the applicant and any members of his or her immediate family be granted a waiver of the two-year foreign residence requirement of Section 212(e) of the Immigration and Nationality Act, as amended. This recommendation only refers to the two-year foreign residence obligation which was incurred by virtue of the applicant's current or prior nonimmigrant status as a J-1 Exchange Alien.

Accordingly, upon consideration of the evidence of record, and on the basis of the favorable recommendation of the United States Information Agency, the applicant, and any members of the applicant's immediate family who have become subject to the two-year foreign residence requirement solely by virtue of their relationship to the applicant, are hereby granted a waiver of the two year foreign residence requirement of Section 212(e) of the Act.

Please note that if any member of the applicant's immediate family has incurred an obligation to fulfill the two-year foreign residence requirement of Section 212(e) of the Act by virtue of his or her own current or prior nonimmigrant status as a J-1 Exchange Alien, the current or former J-1 Exchange Alien will need to request a separate waiver in his or her own behalf to remove that obligation.
