Subject: 212(e) Waiver Recommendation based on a(n) State application

Dear Director:

Pursuant to Public Law 103-416, as amended by PL 107-273, the Department has reviewed the request and finds it in the public interest and recommends to the U.S.C.I.S. that the waiver be **GRANTED** to the exchange visitor and members of the immediate family, if applicable. The exchange visitor is/will be employed by [REDACTED] located in the state of CALIFORNIA and the contract is for at least 3 years.

Any other existing application(s) submitted to the Department, for the exchange visitor will now be closed. This concludes the Department's involvement in this case. Any further action concerning this waiver falls under the jurisdiction of the U.S.C.I.S.

Sincerely,

CHRISTY MILLER-DAVIS
