The United States Department of State, based upon a "No Objection" statement from the government of your nationality, has recommended that you and any members of your immediate family be granted a waiver of the two-year foreign residence requirement of Section 212(e) of the Immigration and Nationality Act, as amended. This recommendation only refers to the two-year foreign residence obligation which was incurred by virtue of your current or prior nonimmigrant status as a J-1 Exchange Alien.

Accordingly, upon consideration of the evidence of record, and on the basis of the favorable recommendation of the United States Department of State, you, and any members of your immediate family who have become subject to the two-year foreign residence requirement solely based on their relationship to you, are hereby granted a waiver of the two-year foreign residence requirement of Section 212(e) of the Act.

Please note that if any member of your immediate family has incurred an obligation to fulfill the two-year foreign residence requirement of Section 212(e) of the Act based on his or her own current or prior nonimmigrant status as a J-1 Exchange Alien, that family member will need to request a separate waiver on his or her own behalf to remove that obligation.
